EXPENDITURE POLICY

EXPENDITURE POLICY

Purpose:

To give some guidelines of how our organisation funds are obligated and spent, to define accountability for spending organisations funds, and to develop a procedure for expenditure authorization and processing payments.

General Policy Statements:

1. The only individuals authorized to obligate and spend PROJECT funds are the positions as approved by the Board.
2. These individuals are responsible for developing a budget for their particular area of responsibility, and are responsible for monitoring expenditures against budget for their areas of responsibility. The individuals are to make adjustments in spending plans during the year to be sure the actual expenditures match or do not exceed the budgeted amounts for each category.
3. The individuals may delegate responsibility for spending funds within a ministry area. The persons approved by the Board are ultimately responsible for funds spent within their sector, and for justifying any overages or unspent funds in their sector area at the end of the year.

Procedure:

1. Each invoice will need to be submitted along with details on the reimbursement form to the Admin Assistant for Finance. This form must have the initial of the approved Coordinator person authorizing payment of the invoice or obligation before it can be paid. There is a drawer allocation on their desk to facilitate for this to happen. This will be shown to you on orientation.

2. Each quarter the Treasurer will provide a summary of the expenditures made and charged to the accounts under coordinators responsibility, along with remaining budget amount.
3. The approved coordinator will be responsible for making adjustments in expenditures during the year to be sure over budget items do not occur, and that the program is living within the budget. Or, they may work with the Finance Administration / Board to seek a budget adjustment.
4. Each coordinator is responsible for submitting budget figures for each succeeding year's budget to the Finance Administration in time to prepare and submit for Boards approval toward next year's program for the organisation.
